The Heber-Kamas Cutter Association will open their season this Saturday at the Wasatch County Race Track in Heber City. Chariot races will begin at 1:00 p.m. according to president of the association, Bill Richards.

The races will be the first timed events of the season, and will continue every Saturday until February 9. Approximately 20 teams will race Saturday to determine placements in Divisions A, B, and C.

The ultimate goal of the race-horse owners, who usually drive

their own teams, is to win in the A division and go on to the national finals in Pocatello, Idaho. Four teams will eventually be selected, at the end of the season, to go to the Worlds Champion Cutter and Racing Association meet in Pocatello. Several teams competed in Idaho last year.

The recently completed race track in Heber City will offer cutter fans an excellent view from the covered grandstand with seating capacity of 4,000. The oval race track is a half-mile long, with a 560-yard straightaway. The first 500 yards of the track are 90 feet wide, the widest in the state.

The county park offers ample parking space for both participating horsemen and spectators. The parking area on the southwest side of the track features 180 parking stalls large enough to park both a truck and a horsetrailer. The second lot on the northeast end of the track is reserved for spectator parking and is capable of handling more than 500 passenger cars.

Officers of the Heber-Kamas Cutter Association include President Bill Richards of Kamas, John W. Lloyd, Vice President and Secretary, Bill Wall. Directors are Rex Richins, Clint Neilson, Gary Kirkham, Ralph Crittenden and Boyd Sweat. Also National Directors are Harold Ford and Dave Erickson.
